## Perkins Braille Repair Training Workshop

**Perkins Braille Repair Certification August 10<sup>th</sup> – 21<sup>st</sup>, 2009**

Howe Press of Perkins School for the Blind, is pleased to announce the upcoming Perkins Braille Repair Workshop. .

**Basic Maintenance & Repair August 10<sup>th</sup> – 14<sup>th</sup>, 2009**

The Basic Maintenance & Repair Workshop will introduce current users and potential repair specialist to the Perkins Braille writers. The basic workshop focuses on inspecting a braille writer, cleaning and lubrication; understand spare parts and how to use the service manual, and how to perform basic troubleshooting and maintenance on a Perkins Braille writer.

- Introduction to Braille writers
- Identification of Parts Numbers & Spare Parts
- Utilizing the Service Manual
- Cleaning and Lubrication
- Inspecting a Braille writer
- Basic Maintenance
- Minor Repairs
- Troubleshooting

**Advanced Repair & Troubleshooting August 17<sup>th</sup> – 21<sup>st</sup>, 2009**

The Advanced Repair & Troubleshooting workshop will build upon the Basic Maintenance & Repair Workshop and build competency in dismantling, troubleshooting, and repairing of Perkins Braille writers.

- Advanced Troubleshooting Skills

- Disassembling and Assembling a Braille
- Major Repairs and Braille Assembly
- Maintenance Records

**Prerequisite: Basic Maintenance and Repair Workshop**
