Perkins Training Center

Strategies, Modifications and Resources to Support Students with Visual Impairment in Chemistry & Lab Based Science Classes

Saturday, February 27, 2010

This workshop, conducted by Kate Fraser, TVI & Secondary Science Teacher at Perkins School for the Blind will discuss the best practices in teaching strategies for facilitating access for students with visual impairment in lab based science classes. In addition, adaptations, modifications and resources to support students will be shared with participants through lecture and 'hands on' activities.

Presenter: Kate Fraser, TVI & Science Teacher, Secondary Program, Perkins School for the Blind

When: Saturday, February 27, 2010
Registration: 8:30-9:00
Workshop Sessions: 9:00-3:00
Lunch will be provided

Workshop Fee: \$50.00

Learner Outcomes - After completing this workshop, participants will have increased knowledge in:

- Science standards for Chemistry
- Instructional strategies, modifications and resources for students in lab based science programs in elementary and secondary school
- Creating lesson plans that promote full access for students with visual impairment in science classes.

Seating is limited. Priority is given to Massachusetts Teachers.

Please submit registration and \$50.00 check made payable to Perkins School for the Blind; Perkins Training Center, 175 N. Beacon Street, Watertown, MA 02472 by **February 12, 2010**.

This workshop is supported by the Perkins Training Center through the Klarman Foundation.

Standard rate per person per workshop is \$90.00.
