

# Noelle's Pumpkin

**Pumpkins grow  
from a pumpkin  
seed.**

**Noelle plants a  
pumpkin seed in  
the soil.**

**The seed sprouts  
and grows a  
yellow flower.**

**A little green  
pumpkin grows and  
grows.**

**The pumpkin turns  
orange. Noelle  
picks the pumpkin.**

**Noelle loves the  
orange pumpkin.**

**Noelle snuggles  
the orange  
pumpkin.**

**Noelle yawns.  
She is tired after  
picking the  
pumpkin.**

**Noelle sleeps with  
the pumpkin.**
