
Five Little Leprechauns

Five Little Leprechauns

A Leprechaun is a mischevious dancing elf with a red beard with a pipe in his mouth. He is dressed in a green suit wearing a green hat with a gold buckle. Catch a leprechaun and he will give you his pot of gold!

Five little leprechauns,
Knocking at my door,
One chased a rainbow,
Then there were four.

Four little leprechauns,
Oh so wee,
One picked a shamrock,
Then there were three.

Three little leprechauns,
Hiding in my shoe.
One found a toadstool,
Then, there were two.

Two little leprechauns,
dancing in the sun.
One went to search for gold,
Then, there was one.

On the run,
He shined his shoe buckles,
Then there were none.
